RE: Contact Lens Rule

Dear Chairman Capito and Ranking Member Coons:

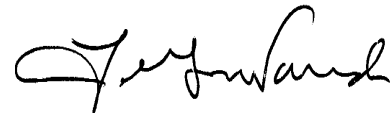

In advance of your Appropriations Subcommittee mark-up of the Financial Services and General Government bill, we would like to highlight one issue that provides a meaningful benefit to consumers: The right to receive one's prescription from a contact lens prescriber. Accordingly, we have attached the comment from a bipartisan group of twenty state Attorneys General on the Federal Trade Commission's recent proposed update to the Contact Lens Rule.

Thank you for your consideration.

Sincerely,

TOM MILLER
Attorney General
